

Invitation To Serve as Citizen Representative on Valley Waste-Resource Management and Tidal Transit Authorities' Audit Committee

Valley Waste-Resource Management and Tidal Transit Authorities, authorized by the Valley Regional Services Board of Directors, are inviting applications from qualified and interested persons to serve as a Citizen Representative on their Audit Committee.

The Audit Committee includes both elected officials and non-elected individuals and operates under the authority of the Municipal Government Act. The Committee provides oversight related to financial reporting and transparency, risk management, and the work of auditors. The Citizen Representative brings an independent, community perspective and helps strengthen accountability and good governance.

Term of appointment: two years, with possibility of reappointment

Meetings: quarterly or as required

Compensation: honorarium of \$500

Qualifications

Applicants should:

- Be a resident of one of the following: Municipality of the County of Kings, Municipality of the County of Annapolis, Towns of Middleton, Berwick, Kentville or Wolfville.
- Have experience or knowledge related to finance, accounting, auditing, governance, risk management, or public administration and to review and understand financial information.
- Act impartially and be willing to comply with the Municipality's Code of Conduct and confidentiality requirements.

How to Apply

Please provide a summary of your work, volunteering activities, or experience which would make you a great candidate. The Municipalities are committed to inclusive and representative participation and encourage applications from under-represented groups. Applications will be received until the position has been filled.

Submit applications to:

Mail: Valley Waste-Resource Management
Attn: Andrew Garrett, General Manager
PO Box 895, 90 Donald E Hiltz Connector Rd.
Kentville, NS B4N 4H8
